***for donating the prize money.***

**What on earth is 2-Person No Scotch?** Think of it as combining Chapman + Scramble.

- The two team members each hit drives.
- They switch balls to play the second strokes (each hitting the other's drive).
- They select the best position that resulted from the second shots. And beginning with their third strokes, they play a scramble into the hole.
- Men play from white tees; women play from red tees (80+ year olds can move up one tee box)

**Sign up in the Pro Shop or call Discovery Bay Golf Club at 360-385-0704 to register.**
